Porta Hotels' stance on sustainable tourism

- Porta Hotels does not endorse or encourage in any way and at the same time, condemns the sexual exploitation of children, adolescents and / or adults.
- Does not promote or accept child labor.
- We are against the sale, extraction and exploitation of flora and fauna in danger of extinction, sale and / or trafficking of archaeological and historical artifacts in our culture, and does not endorse in any way such actions by their employees.
- Respects habits and values, rights and traditions of the towns where it operates, as well as ethnic and gender equity.
- Promotes the manufacture and purchase of handicrafts and other local products and services.
- Promotes the recruitment, training and development of local personnel in all ranks of the company.
- Encourage the use of services and products of micro, small and medium enterprises, especially those of sustainability.
- Supports and disseminates cultural, sporting, recreational or welfare of neighboring communities and / or destination, in consultation with groups or companies that offer and / or coordinate the activities, when possible.
- Does not violate the provision of basic services to neighboring communities.
- Supports and promotes understanding of and respect for indigenous cultures and customs.
- Provides information and encouraged to visit tourist sites and local communities.
- Porta Hotels is not involved in the sale, trafficking or display of archaeological items / objects or historic national heritage unless it has the respective permit (in case of exhibition).
- Participate and support development initiatives, particularly tourism, nearby communities, with the consent of those concerned.
